

## EYFS:

Our EPIC Learning for Spring 2 2018 will stem from the book, 'The Princess and the Wizard' by Julia Donaldson. Look at our class book by scanning this QR code

### English

This half term we will become witches and wizards so that we can create and write our own magical spells and potions.

We will be learning how to write invitations as we will be hosting a special party to celebrate our learning at the end of this half term.

We will be learning to hear and say the initial sounds in words and practice forming letters using the Kinetic Letters scheme, using gross and fine motor movements.

### Maths

This half term we will begin to learn how to add quantities of objects together to find the total amount.

We will then be building shields using 2D shapes and castles with 3D shapes. There will also be a focus on the days of the week.

### Global and Cultural

We will discover castles from all over the world and we will be learning about a variety of celebrations.

### This half term, we will

Design and build castles, create and write magical spells and have a magician come to visit us!

**We will also be EPIC in week 5, we will be hosting a celebration party on Thursday 29<sup>th</sup> March – we will be writing invitations and planning what we want to happen.**

### The key questions we will explore are...

**Week 1:** Where does a princess live?

**Week 2:** What is a spell?

**Week 3:** How would you escape from the Wizard?

**Week 4:** What do you celebrate?

**Week 5:** I Wonder Week

### Business, Enterprise and Innovation

We will be learning about Medieval music and we will be planning our own celebration to have in the last week.

We will have a visit from a magician who will teach us how to cast our own spells.

### Wellbeing

During life skills we will be learning about different feelings and how we can manage them as well as helping others to overcome them.

### Coaching

We will all be using the 'GROW' model to support our coaching partner during this half term. This will help our partner to think deeply about their learning and reflect upon what goals they want to achieve each week during this half term. We will be active listeners and careful questioners.

### Home Project

Design and create your own castle.

## Our EPIC Curriculum

Exploration of our community and world  
**P**roblem solving to think deeply  
**I**deas to open minds  
**C**ommunicate, collaborate, create

Core purpose – Working together to
