

# EYFS: Our EPIC Learning for Summer 2018 will stem from: Look at one of our class books by scanning this QR code:

## English

This half term we will be using our senses to think adjectives to describe different dinosaurs. We will be creating our own poems using a bank of rhyming words which we will make. We will be sequencing the different events of the story. We will then predict what might happen next. We will be creating our own fact files for the dinosaurs we learn about and find interesting. We will continue to read and write our bear words.

## This half term, we will

become Palaeontologists as we learn about dinosaurs, dig for and find fossils and explore the life of a dinosaur.  
**We will also be EPIC in week 7, we will be hosting an open morning where parents are welcome to come and join our EPIC learning and to see what we have learnt.**

## Wellbeing

During life skills we will be learning about different feelings and how we can manage them and help others

## Maths

This half term will be focusing weighing objects and using the language of 'heavier' and 'lighter' using scales and balances. We will creating our own patterns using objects, shapes and colours and then describing them. We will be measuring the size of dinosaur footprints and comparing them with our footprints.

## The key questions we will explore are...

- Week 1:** What is inside the egg?
- Week 2:** Who is the Gigantosuarus?
- Week 3:** Who says "Roooaarrrr"?
- Week 4:** Where did they go?
- Week 5:** What would happen if they came back?
- Week 6:** Who is a Palaeontologist?
- Week 7:** Who is a Palaeontologist?

## Coaching

We will all be using the 'GROW' model to support our coaching partner during this half term. This will help our partner to think deeply about their learning and reflect upon what goals they want to achieve each week during this half term. We will be active listeners and careful questioners.

## Global and Cultural

We will be learning about animals which hatch from eggs and their life cycle.  
We will be learning about dinosaur habitats and where you can dinosaur fossils.

## Business, Enterprise and Innovation

We will become Palaeontologists and create our own fossils to find.  
We will be creating and designing our own dinosaur egg.  
We will be making our own dinosaur music using effects such as 'stomping' and 'clapping'. We will be learning about body percussion.

## Home Project

Design and create a volcano or dinosaur egg.

## Our EPIC Curriculum

**E**xploration of our community and world  
**P**roblem solving to think deeply  
**I**deas to open minds  
**C**ommunicate, collaborate, create

*Core purpose - Working together to inspire and grow.*
