

Week beginning - Monday 8th March 2021

Glenbrook Newsletter

BEST BITS FROM THIS WEEK

Science week this week! All year groups across school have taken part in lots of different ways. In year 1, 4 chicks have hatched under the watchful eyes of the children and are a welcome addition to the classrooms. Year 5 and 6 enjoyed meeting a scientist, Emma Knight-Strong over zoom and asking her lots of questions about her career as a scientist. Sublime Science joined us over zoom as well and shared some jaw-dropping experiments with us and we enjoyed learning the science behind it too. Amazing Science week at Glenbrook!

Reminders:

Friday 19th March is Red Nose Day. This year's theme is superheroes! We look forward to seeing you all in your superhero costumes. We are selling red noses- please pay through school gateway.

Glenbrook Going for Gold Champions- Collective Community:
