## Glenbrook Newsletter

### BEST BITS FROM THIS WEEK

Well done for another amazing week of learning Glenbrookers 😊 Year 3 have been carefully researching the hierarchy of Ancient China, including the different roles in the Shang Dynasty. They have also created their very own versions of the Terracotta Army which was discovered in China. Year 6 have shown their love of learning by discovering more about the life and work of photographer Bull Schwab, Year 5 have become tiny programmers and used the Scratch app to apply algorithms to create digital programs- fantastic pushing potential! EYFS have been following their interests in hidden pirates and elves. They discovered that a note had been left for them telling the children to create maps to find their treasure- awesome attitudes! Year 4 exceeded expectations in their French learning this week- tres bien!
