

Week beginning - Monday 10th May 2021

Glenbrook Newsletter

BEST BITS FROM THIS WEEK

Year 6 have been out and about this week to a woodland area near Trinity School to take photographs of a natural environment inspired by photographer, Bill Schwab. We are so very proud of them showing our Glenbrook rules of respectful and safe outside of school and their photographs are amazing! Year 3 have been creating looping algorithms using the scratch programme- fantastic video example on our twitter page 😊 Year 4 have learnt about airplanes and how they fly. They created their own helicopters out of paper, predicted if they would fall faster or slower with a heavier load and carried out an investigations to test their predictions. Well done Glenbrookers for another week bursting with learning 😊

Coming up:

- Special meal- 20.5.2021
- Year 3 and 4 world bee day- 20.5.2021
- Inset day- 28.5.2021
