BEST BITS FROM THE LAST COUPLE OF WEEKS

We had an exciting visit from Olympic Paralympian, Richard Whitehead! We loved asking him lots of questions and his answers inspired us all. Year 6 has a visit from Adam Pepper and the learnt about the Munich Olympics in 1972. They showed incredible maturity and compassion throughout each activity and despite the seriousness of the event, they enjoyed writing and performing their news reports. Year 5 demonstrated excellent mapping skills to show their knowledge of countries and capital cities. The children in reception have loved their new Yo-Sushi role play. They have learnt to use chopsticks, wrote orders and programmed beebots to transport the sushi to the customers. Year 1 celebrated their different cultures for heritage day. Well done all Glenbrookers, another beautiful week of learning 😊
